

The Humanware logo features the word "Humanware" in a white, sans-serif font. Above the letter "a" is a stylized icon of a person with arms raised, set against a white circular background.The slogan "The power is in your hands" is written in a white, sans-serif font. It is positioned over a photograph of several people silhouetted against a bright, low sun, with their arms raised in a celebratory gesture.

## Webinar

# Preparing for fall 2009 – Hands on workshop

(a large print text only version is available at: <http://www.humanware.ca/web/en/newsletter/54-t.htm>)

Stephanie Turner will be speaking about the services that are offered by Recording for the Blind and Dyslexic. During this hands-on workshop you will learn about player authorization, "fee or free" services, how to download books, and find out about what is coming up for RFB&D. We will conclude with a questions and answers session.

Thursday August 27, 2009

19:00 (UTC) Coordinated Universal Time  
12 p.m. to 1 p.m. Pacific Daylight Saving Time  
1 p.m. to 2 p.m. Mountain Daylight Saving Time  
2 p.m. to 3 p.m. Central Daylight Saving Time  
3 p.m. to 4 p.m. Eastern Daylight Saving Time

Location: Webinar through the HumanWare weblink.

[Register online now](#)

All participants go to: <http://www.tcconference.com/humanware>

(Note: if you are a first time user, you will need to select the Download button prior to entering the session. This will take a few minutes. Once done, select

"Enter the room". Follow the instructions, no password required please type your name to join the presentation).

Our speaker for this event will be Stephanie Turner. Stephanie is the product manager for marketing with RFB&D. She will share a wealth of information about the services, new information about players and online services, to help support those individuals with print disabilities.

If you have any questions regarding Recording for the Blind and Dyslexic, please forward them to [Brenda.mcbride@humanware.com](mailto:Brenda.mcbride@humanware.com) or [sturner@rfd.org](mailto:sturner@rfd.org) before August 26, 2009.

### **About RFB&D**

RFB&D serves nearly a quarter of a million students from kindergarten through graduate school and beyond who cannot read standard print due to a visual impairment, blindness, learning disability such as dyslexia, or other physical disability. Students rely on RFB&D to access the printed page and to achieve educational success. RFB&D's collection of digitally recorded textbooks and literature, available on CD or through Internet download, are proven, effective learning tools for students with disabilities.

RFB&D, a 501(c)3 nonprofit, relies on the generous contributions of individuals, foundations and corporations to support its programs. For information on RFB&D, call toll-free 866-RFBD-585 (866-732-3585) or visit [www.rfbd.org](http://www.rfbd.org).

#### About HumanWare

HumanWare is the global leader in assistive technologies for the print disabled. HumanWare provides products to people who are blind or have low vision, and individuals with learning disabilities. HumanWare offers a collection of innovative products, including BrailleNote, the leading productivity device for the blind in education, business, and for personal use; the Victor Reader product line, the world's leading digital audiobook players; myReader2, HumanWare's unique "auto-reader" for people with low vision; and the ClassMate Reader, the only portable book player to offer synchronized text and audio for individuals.
